

David Page (left), Adele Gilchrist, Jesse Owen and Angela Heyburn, photographed following the official presentations awards made to them by Mr. Owen. They are holding their Trophy awards for Outstanding Male Athlete, Aggregate Trophy, Girls Bantam team and Outstanding Female Athlete. The trophies were presented at a Banquet following the Track and Field Clinic sponsored by the Calgary Club last Sunday.

Track & Field kids win 3 big awards

The St. Albert Track and Field team were awarded two outstanding athlete awards, the Aggregate Trophy for Girls Bantam Class and 2nd place in the Boys Bantam Class in Calgary, Sunday.

ANGELA HEYBURN - who broke three records in the weekend meet was named Outstanding Female Athlete. The award was based on performance over three Junior Development meets, sponsored by the Calgary Track and Field Club and open to students from all Alberta Schools from ages 12 to 18. The program attracts the provinces top competitions. In the final meet 13 year old Angela broke the Provincial Bantam track record for 300 yard run, with a time of 43.8. She also topped her own previous Calgary Track record for the 50 yard run and the Calgary track record for Shotput, Bantam girls.

DAVID PAGE, also 13, won the Outstanding Male Athlete award and this promising young runner broke three Calgary track records, in the 300 yd, 600 yd, and 1000 yd runs.

The Bantam Aggregate Trophy won the St. Albert girls team was also based on performance over the three Junior Development meets held in Calgary. Members of the team were Laura Coward, Adele Gilchrist, Angela Heyburn, Anita Jelley, Barbara Jenkin, Lianne Kivell, Mary Jamison and Karen Lynn Chartier.

Speaking of Centennial

CALLING ALL CANOES! Art Van Sloten, who is doing a grand job of organizing Watersport events for Victoria Day and Dominion Day, is still on the look-out for more participants. Art is preparing an excellent program, so if you and your canoe would like to join the "St. Albert Armada" give Art a call at 599-8401. Out of town entries are most welcome!

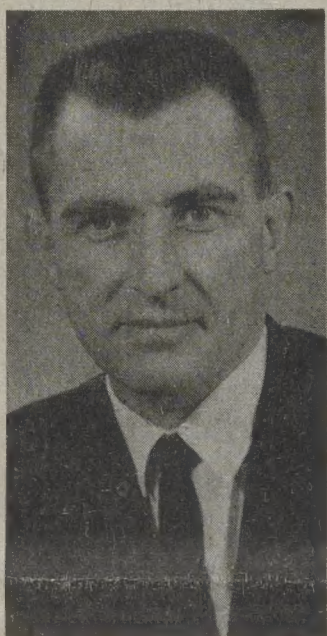

TALENT SHOW
Readers are reminded they can still get in on the Audition to be held Sunday, April 23rd, in the St. Albert Community Hall from 1:00 - 4:00 in the afternoon. The "Search for Centennial Stars" Talent Show sponsored by the St. Albert Centennial Committee, promises to be a good one. Some of St. Albert and District top entertainers will compete in the Show to be held Saturday, April 29th in the Father Jan School Auditorium. Showtime is 8:15, admission is just \$1.00, children under 12 years of age .50 cents. Tickets are available from Committee members, at the auditorium the evening of the Show, or you may reserve your tickets by phoning the Secretary at 599-6776. See you there!

BROWNIES COMPLETE PROJECT
Mrs. Richard Leggett's 5th St. Albert Brownie Pack successfully completed it's Centennial Project when they presented Mrs. M. Johnston of the Library Board with a cheque for \$40, at a ceremony held in the Sir George Simpson Continued on Page 3

Swim tickets on sale now

The day when the Swimming Pool will open is approaching rapidly and judging by the number of enquiries the staff has been receiving at the Parks and Recreation department, we are going to have an exciting summer. St. Albert could possibly become known as the town where people live in the water during the Summer.

Many families are buying season tickets and the Recreation department is now in the process of getting the swimming classes organized with due regard to the demand, which is considerable.

DONALD J. LABELLE of 26 Geneva Crescent, has been elected President of the Edmonton Chapter, Canadian Public Relations Society, for the 1967-68 term. Mr. LaBelle who is public relations officer for the Alberta Association of Registered Nurses, was also named to the Society's National Council, and will attend their annual convention in Quebec City, May 1st to 5th.

The big news in Track and Field is the recent announcement that Bill CARRUTHERS probably the best middle distance runner in the world will be here for the Royal Canadian Indoor Games. These will be held on the newly installed banked track at Jasper Park Arena on Saturday, April 29. Carruthers will be matched against Ray Haswell, holder of the Canadian Indoor Native Mile Record. Coach Kowalczyk expects to have about ten members of the St. Albert track and field club entered in the games. This event will give local sports fans an ideal opportunity to see their own young people in action. For the modest fee of \$1.00 they will be able to take in the entire day's and evening's events. (50¢ for students). The Games start at 10 a.m. and there will be a break through the supper hour. The Official Opening Ceremony for the new Track will be held at 7:45 p.m. and more outstanding events will follow, including the Carruthers - Haswell run.

In the meantime the club travels to Vegreville this coming weekend to participate in the Alberta Indoor Championships.

At present all the students in the Track & Field club are from Sir George Simpson School, but Mr. Kowalczyk would welcome boys and girls from at least four more St. Albert Schools who would like to take part. As the indoor season draws to a close he would also like to thank all custodians at Sir George Simpson for their help and support

Legion idea should make fine project

The St. Albert branch of the Royal Canadian Legion will hold installation of officers at their meeting April 21st, when all ex-members of the Canadian Armed Forces are welcome along with branch members.

The local Legion has been giving considerable thought to idea put forward for a Centennial project. They feel there is a need in St. Albert for a

bus which would be available to both adult and young people's organizations for transportation to out-of-town events. Such a bus would be made available to transport groups to such affairs as Scout or Guide rallies, hockey or baseball games, senior citizens tours and a great number of similar activities. They have made enquiries as to types of buses available,

safety precautions and so on. However they would like to know the feeling of the people of St. Albert before proceeding further with this idea and would greatly appreciate letters from interested individuals, giving their views on the merit of this proposed project.

Letters should be directed to the Royal Canadian Legion, St. Albert.

Armand Donais rink wins mixed bonspiel

The Armand Donais rink won the St. Albert mixed Bonspiel held here on the weekend, with Betty Anderson at third, Casey Anderson and Bernice Donais, lead. They met Pee-wee Quintal in the final in a good close match, broken up in the ninth end when the Donais team scored a four-ender.

Second Event winners were the Bob Hudson foursome, with Marina Vettergreen, third, Frank Vettergreen and Pat Hudson. Skip Glen York with Elsie York, Rod Krogh and Bea Krogh, won the Third Event. All finals were scheduled for 7 p.m., Sunday night.

Legion whist

A Whist Drive was held at the Royal Canadian Legion April 7th, which was very successful. Donna Findlater won the women's high and Nick Storoshenko won the men's high. Boobie prizes were won by Mrs. Busche and Rudy Schriber. Allen Houle won the Italian Auction Next Whist Drive - April 21.

Prizes were lovely and the Donais rink received 30-cup automatic coffee makers (for the girls) and electric knives. 36 rinks took part in the 'spiel which included all of the local mixed teams, 24 from the Saturday night league and 12 from the Wednesday night league. Play began Friday evening, continuing through Saturday and Sunday.

Earlier in the week Milton Fawcett's rink was established as the Mixed Club Champions, in the finals of the club playdowns held Wednesday night. Curling with Milt were Elsie Comin, Larry Comin and Virginia Fawcett.

The Annual Meeting of the St. Albert Curling Club will be held Sunday at the rink, when reports will be heard and new officers elected. On Friday evening all St. Albert curlers will get together for a gala wind-up dinner and dance at the Club Mocambo, when several presentations will be included on the program.

Council reviews 1st draft-budget

St. Albert Town Council met Monday evening in a special session called to review the first draft of the 1967 estimates. This was the evening the Department Heads were given the chance to defend their budgets against the sharp paring knives of the Councillors.

"MY ROOF'S GOT A HOLE IN IT. . . ."

Mr. Loyd Abram, Town Building Inspector, was first in line. Mr. Abram said his budget had already been "pared right down to the bone". Mr. Abram is faced with such expenditures as buying curtains for the Town Offices (cheaper than air conditioning), replacing some 32 burned out fluorescent tubes, and he is expecting an estimate from a roofing firm. It seems there is a leak at Town Hall. . . . Councillor Wheatley has kindly offered to "take a can of tar up there." Mr. Wheatley at one time worked on a roofing gang.

MOSQUITOES AND FLIES:

The Parks Department was allocated \$550.00 to wage the annual war against the mighty mosquito. Councillor Donais who lives in the general direction of the Town Nuisance Grounds, said he would rather have "100 mosquitoes than 1 miserable, dirty fly from the dump." Mr. Donais is very concerned with the fly problem there and wonders if there could not be a possibility of an epidemic with the sewage lagoons so close by. He added it is "terrible to live in 1967 and have conditions like that." Town Engineer Jan Maandag agreed. He said his department has not sufficient monies available to have "any kind of program at the dump at all." Mr. Maandag feels the dump should be re located. There is not enough soil available at the present site to cover the

garbage. "When conditions get too bad", he said, "we go in there and move some of the garbage around." Councillor Wheatley suggested that with the great advances being made in the field of Science maybe a new chemical has been discovered that would help rid the Town of this pest. Mr. Parkes said perhaps we could grind up a few tons of The Pill and spread that around to help keep down the fly population.

MAINTENANCE CUT:

The street maintenance fund was left with just enough money to look after bare maintenance, mostly pot-hole repairs. The engineer added that with the amount of money available to him, the streets "may be cleaned once, and that's about all." An extra \$1450.00 was allowed to provide for some maintenance to the sewer and water mains.

CENTENNIAL COSTS:

For the time being Council agreed to provide \$5000.00 for Centennial expenses, \$2500. to go to the Centennial Committee, the other half to be used for flags, fire works and official receptions etc. Councillor Donais objected strongly to this. Mr. Donais said while he is definitely NOT opposed to Centennialism, he feels "we are in NO position to blow \$5000.00 on a Birthday Party". Celebrate, yes, but all means, but a little less costly, says Mr. Donais. Councillor Parkes feels the \$5000.00 for Centennial (in addition to \$3000.00 provided last year) should be written off as an advertisement for the Town. "I would hate to see us fall short of St. Paul," Mr. Parkes said, "It will hit people in the pocket, but we'll get something back for it."

CHARGE FOR RINKS:

Council learned that it now costs more to run the Town's four skating rinks annually, than the Swimming Pool is expected to cost to operate for the season. Mr. Gate explained the rinks opened at 9:00 a.m. daily, for school use. He has had men work all night to have the rinks cleared off and ready for use in the morning. Under the joint use agreement the Town should have a caretaker on duty when the schools use the rinks.

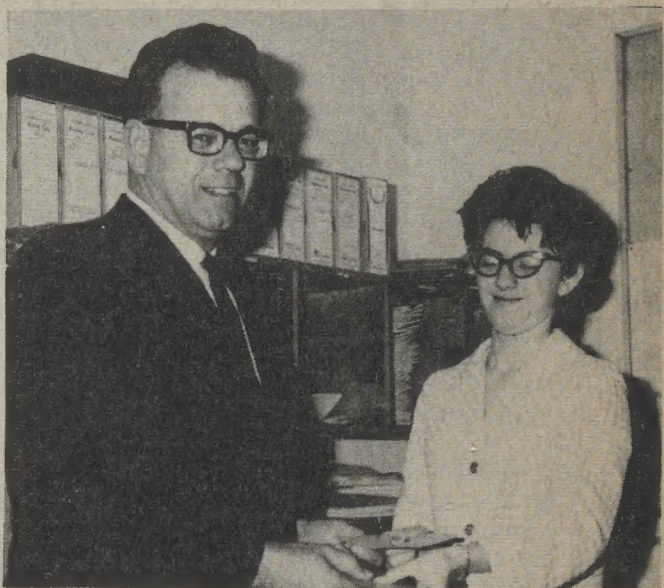

Mayor Fowler feels it is not reasonable to have the rinks open that early. "We can't have their schools any time we want them," he said. Mr. Gate has come to the conclusion that "The schools in this country are like the Sacred Cow in India." Councillor Donais suggested to "Ditch the whole works. Tear down the rinks and put one up in a Central Location." Several suggestions were offered to keep skating costs down.

These ranged from charging a skating fee, instituting a Rink Rat system, to having the schools supply their own supervisor when they use the rinks at 9 in the morning.

NO PLAYGROUNDS:

Council agreed to scrap the play ground programme completely for this summer. Mayor Fowler commented it is a "\$7000.00 Babysitting service." It was felt that with the Pool open this summer the attendance at the Play grounds would be even less than last year.

The meeting, with Councillor John de Bruijn the only absentee, adjourned at 11:45 p.m.

Purchasing the first family season ticket from Mrs. Elaine Adams, secretary Parks and Recreation department, is Mr. Armand Donais, who has been the busy chairman of the Swimming Pool Committee.

School Caretakers get new contract

The Board of Trustees of the St. Albert Separate School District No. 6 and the Canadian Union of Public Employees Local 474 reached agreement today on a new contract to replace the one expired since December 31st, 1966.

The new agreement is for a two-year period. The 44 hour week is retained but, from July 1st, 1967, it will

be scheduled on a five day week to give all District employees each weekend free with their families. The Caretakers and Maintenance Workers are now on the Official Pay Plan of the District, with well defined job descriptions and classifications.

The agreement sets raises in pay for all caretaking staff with those in the lowest pay ranges receiving the largest increases. The lowest paid caretaker will now receive \$330.00 per month. The increases average 5.9% during 1967 and a further 3.9% during 1968.

W.I. having plant roll call

The St. Albert Women's Institute will meet at the home of Mrs. J. Meleshko, 80 Sunset Boulevard on April 25th, when roll call will take the form of an auction of house plants, bulbs or outdoor plants. A 50¢ penalty will be assessed any member failing to bring a plant. All proceeds from the plant auction will go to the Centennial Project to beautify the Community Hall and grounds.

St. Albert Tonight

Sheilagh Gracey, guest lecturer from the University will speak tonight at the Leo Nickerson School on the subject of kindergartens and education at the pre-school level. (April 19th).

Tennis fans are welcome at tonight's meeting of the St. Albert Tennis Club, being held at the Clubhouse on Grenfell Avenue, (April 19th).

Centennial Band will give concert

A very important part of the Centennial year's activities of the St. Albert Protestant Separate School District has been the initiation and establishment of a Centennial Band under the leadership of Mr. Terry Wennes.

The Centennial Band will present its first concert on Wednesday, April 26, 1967 at 7:30 p.m. in the Sir Alexander Mackenzie School gymnasium.

The Centennial Band is composed of 32 boys and girls,

many of whom have had no previous music training. After a slow start last fall due to the unavailability of sufficient numbers of band instruments, the boys and girls are progressing very nicely. Practices are held twice weekly at Sir Alexander Mackenzie.

The program for the Concert on Wednesday, April 26th will consist of numbers from the beginning band program, including some folk tunes.

The Centennial school band at a Friday afternoon rehearsal in the Sir Alexander Mackenzie School. The young musicians are working extra hard these days getting ready for their first concert on April 26th. Gazette photo.

Mr. Wennes, director of the Centennial band points out a notation on the score to Dr. A. J. Proudfoot, whose personal interest and assistance was instrumental in getting the band organized last fall. Gazette photo.

Prairie Cost Study shows concern

The Prairie Provinces Cost Study Commission was convened in January of this year to inquire into the causes and effects of price increases in the Prairie Provinces.

Steadily rising prices have become a characteristic feature of the Canadian economy for the past twenty-five years, and the effect of these rising prices on an individual or family depends on the rate at which their money income has been rising. In an endeavour to determine how the Prairie Region has fared in relation to the rest of Canada, the Commission requested Prof. J. C. Stabler to examine and report on regional price and income movements in Canada.

Prof. Stabler's conclusions are that price increases have been less for the Prairies than for the nation as a whole, while incomes have increased slightly more rapidly in Manitoba and Saskatchewan and only marginally less in Alberta. Therefore real income (purchasing power) has increased slightly more rapidly in the Prairie Provinces than in the nation.

The Consumer Price Indexes, (using 1953 = 100.0, to avoid the Korean War inflation) were in December, 1966, Edmonton - Calgary 119.5; Vancouver 120.5; Saskatoon-Regina 121.4; Winnipeg 122.8; Halifax 123.0; St. John 123.0; Montreal 123.7; Toronto 127.0. The index for the entire country was 126.3.

Prof. Stabler's study points out that over the 1953-1966 period, levels of personal income per person in Manitoba and Saskatchewan have been just below the national average and have tended to gain slightly on the national figure. In Alberta personal income has been slightly above the national average and has not increased quite as rapidly as it has for the nation. Thus income in the Prairie Provinces has shown a moderate tendency to converge toward the national average.

In 14 days of public hearings a total of 59 exhibits were filed with the Commission and approximately 150 representations were made by individuals, and organizations with memberships of up to 95,000. These submissions indicate that there is concern on the Prairies about the effect of price increases on the standard of living.

The vast majority of submissions expressed concern over the effect of price increases on low and fixed income groups. To discover the effect of price increases on the various income groups the Commission has retained Prof. L. F. Kristjanson to study the impact of inflation by family budget size. In this study Prof. Kristjanson will make use of information provided directly by Prairie families.

THE COMMISSION RECEIVED THE GREATEST NUMBER OF SPECIFIC COMPLAINTS IN THE AREA OF FOOD DISTRIBUTION. Questions were raised about profits, pricing, expansion, advertising, vertical integration, foreign ownership, and capital structure in the food merchandising industry. To examine these topics Prof. P. C. Dooley has been retained to study the structure and performance of the industry.

The public hearings also raise a number of other questions. These include housing supply and demand, transportation costs, tariffs, who shares in the consumer dollar, advertising, packaging, labelling, gimmicks and taxes. Each of these questions will be examined in some detail in an endeavour to determine what, if any, improvements should be recommended.

Remedies proposed to the Commission include establishment of a department of consumer's affairs, more consumer education, establishment of a prices review board, better labelling and standardization of packaging, as well as other government legislation.

Each of these suggestions will be evaluated by the Commission.

Although some representations were made to the Commission on drug prices the Commission does not feel justified in initiating independent studies in view of the recent report of the Special Committee of the House of Commons on Drug Costs and Prices. The Commission will maintain a watching brief on this matter.

Consumer Credit has, or is about to become the subject of legislation in each of the Prairie Provinces. The Commission expects to refer to this legislation in detail in its report.

It is the present intention to have most research completed by August so that an early Fall report may be possible. Though the Commission has its own staff it wishes to emphasize that it will need maximum cooperation from the public, from firms, and from governments.

All research is under the direction of Prof. R. E. Olley who may be contacted at the Department of Economics and Political Science, University of Saskatchewan, Saskatoon, or at Room 103C, Court House, Saskatoon. Inquiries, ideas or suggestions will be gladly received.

The Premier says that he called this sudden election because of the forthcoming Centennial Social functions. Who does he think he is kidding?

The people of this province had a right to know the outcome of the judicial inquiry into the charges against two senior members of his government BEFORE being asked to go to the polls. Surely this points out the wisdom of Mike Maccagno's call for a Committee Hearing early during the Legislative session.

While the provincial campaign may centre around these allegations, the campaign in the St. Albert constituency will be fought on local issues and will boil down in the final stages as to who is the best man to represent this district in the Legislature.

Whether it is the new assessment in the Town of St. Albert, the lack of an East-West highway serving our rural areas, or the problems over Right of Entry, the people want a representative who will speak on their behalf.

It is my intention to serve this constituency first and foremost, regardless of what political party wins the election and I'm grateful to the St. Albert Gazette for giving me an opportunity to discuss the issues with the voter during the days ahead.

St. Albert campaign should be fought on local issues

Robert Russell, Liberal Candidate.

The Premier says that he called this sudden election because of the forthcoming Centennial Social functions. Who does he think he is kidding?

The people of this province had a right to know the outcome of the judicial inquiry into the charges against two senior members of his government BEFORE being asked to go to the polls. Surely this points out the wisdom of Mike Maccagno's call for a Committee Hearing early during the Legislative session.

While the provincial campaign may centre around these allegations, the campaign in the St. Albert constituency will be fought on local issues and will boil down in the final stages as to who is the best man to represent this district in the Legislature.

Whether it is the new assessment in the Town of St. Albert, the lack of an East-West highway serving our rural areas, or the problems over Right of Entry, the people want a representative who will speak on their behalf.

It is my intention to serve this constituency first and foremost, regardless of what political party wins the election and I'm grateful to the St. Albert Gazette for giving me an opportunity to discuss the issues with the voter during the days ahead.

I also look forward to the forums that the FUA and the Chambers of Commerce will be holding throughout the constituency and I welcome the opportunity to answer your questions. Certainly you have the right to know where I stand before I ask for your support.

Historic St. Albert

INTRODUCTORY NOTE

This is the story of the very beginning of St. Albert written by Father Lacombe himself in a series of letters to some friends and is part of his autobiography.

It should be of great interest for all those living in St. Albert and should be treasured as the local history of the first settlement not only in Alberta but West of Winnipeg to the Rockies.

Before St. Albert there were trading posts but nothing that would look or be like a village or hamlet. There were camps of Indians and traders but no one had so far organized a self contained establishment where people had started agriculture or industry. Here will be the first fields of grain, the first grist mill and the first saw mill, the first shoemaker and the first experiment in cattle raising in the West.

The history of St. Albert antedates the history of Confederation by 6 years which should be a reason to be proud to belong to this growing town, the first on the Western plains.

FOUNDATION OF SAINT ALBERT, APRIL 1861

Dear friends and benefactors,

As I begin my reminiscence on the foundations of this mission, which is to day an Episcopal City, please excuse me for speaking repeatedly of myself. For years I was a part of this work among the Metis. Those who helped me in this foundation know how many trials we met up with and the numberless obstacles we had to overcome. But, thanks to our common energy and the encouragements of Mgr. Tache, Saint Albert was founded and took root!

After Mgr. Tache's departure, in January, 1861, Fr. Remas, Father Caer who had joined us, and I, saw to the ministry among our Christians at Saint Ann and Saint Joachim, not counting our numberless visits to other groups, living on fish near the lakes, or on the hunt in the forests.

But, the fine spring weather came. The snow, eternal snow, which enveloped us during long months, gave sign of leaving us. Once more we were going to see good old mother earth as the Indians say. We made preparations for a new expedition to Jasper, Father Remas was to enjoy this. Father Caer was to go to the prairies as chaplain to the buffalo hunters. For four long months he was to follow the caravan. During this time he would pitch his chapel-tent anew each night in the vast desert, on the shores of some small lake, or on the banks of a small stream, where

brackish waters flow. I was to remain in charge of Lac Sainte Anne all in starting the foundation of Saint Albert. At the beginning of April, accompanied by Michel Norman, his wife, Rose Plante, and a young orphan named Nancy, I went to the large lake I was to name Saint Albert. We camped at night and then reached the hill. We had with us four oxen, some horses, a plow and the tools we needed. A beautiful large shelter made of hides served us as residence. It was a Saturday. The next day, Sunday, after mass in the tent, I had plenty of time to consider and admire the extent and beauty of my new domain. What dreams I made as I sat near the rough cross I had erected in place of the stick. Mgr. Tache had stood there! My mind fails me as I try to recall if my dream-visions of then included this Bishop's residence, this convent, these fields, and these White and Metis populations, who now crown this hill. For the time being, I was satisfied with my colony and my Metis parish. I didn't ambition the beautiful and great things I see today. In hiding from me the spiritual and temporal favors He was later to shower on Saint Albert, God safeguarded me from much pride and self-love, which I wouldn't likely have had the virtue to suppress.

On Monday we began our work. With Michel and two Metis I set out for the forest, our vast spruce grove which covers the hillside across the river and lake. Once in the midst of these deep-rooted giants, I spoke to my companions: "My children, we are about to fell these beautiful trees which will

serve as lumber to build the Fathers' residence and the House of God. Let us kneel and say a prayer and ask the Master to help us, and bless us." Leaning on our axes, we made the sign of the cross, and recited the Our Father and the Hail Mary. "Yes, that God's holy will be done." With the pride and daring of a pioneer of Christ I began felling a majestic pine. My companions followed my example. In no time, three beautiful trees fell to the ground with a crash. During ten days my men continued preparing the necessary wood for our first buildings. Our beasts of burden hauled this material to the chosen site. But another field of action was ready. The snow was gone. The earth was no longer frozen and was drying. It was time to do the plowing. Having but one plow I set my oxen to work each their turn. During the day one man did his plowing with two beasts, and at night another man took over and carried on the same work. This set up made it possible for us to seed a large field in a few days. At the same time the women who were as courageous as we, were busy preparing their garden plots in which they sowed cabbage, carrots, turnip, onions, etc. All in cooking our meals. A certain number of Metis joined us with their families. As Lord over this land, I divided the land and gave to each his share, all in keeping a few thousand acres on each side of the river.

The N.D.P. speaks on the Ombudsman

by Dr. Norman G. Dolman, N.D.P. Candidate, St. Albert Prov. Con.

Well . . . so we now have an Ombudsman!

Alberta is over 100 years behind Denmark, but we do now have a "champion of the people".

An Ombudsman is a person to whom any member of the public may go to get justice in his complaints against GOVERNMENT AGENCIES.

Social Credit does not like criticism; we have seen that during the past few weeks, so it does seem strange that they should have agreed to have an Ombudsman in the first place.

They did manage to stall it off for 32 years, however!

But this Ombudsman should not pose a threat to Social Credit autocracy, however, for several reasons.

1). THE SOCIAL CREDIT GOVERNMENT CHOSE HIM.

Who should have chosen him? The people, naturally - he is supposed to be the people's representative against Government injustice, so why was it the government which chose him?

2). HE IS AN EX - RCMP COMMISSIONER.

I have nothing against police

icemen (my father was one for 28 years) but I do not think that 35 years experience in ENFORCING the law - passed by government - is a suitable background for a champion of people's rights. It would have been better if he had been a retired judge, teacher or minister.

3). THE ELEMENT OF PUBLICITY IS MISSING.

In short, the fact that there are no teeth in the Ombudsman's jurisdiction has been overlooked. In Denmark and Sweden, the facts of the cases brought to the notice of the Ombudsman are publicized in the newspapers for all to read; and this is the main reason why the Ombudsman does his job thoroughly and why the GOVERNMENT HAS TO PAY ATTENTION.

And to cap it all, Mr. McLellan said in the Edmonton Journal, dated Monday, April 10th., that he would be responsible to the Legislature of Alberta.

Really! . . . but his job is to be responsible TO THE PEOPLE OF THIS PROVINCE who need his protection against the injustice and arrogance of a top-heavy Social Credit Government.

Ernie's done it again! Big Brother has put it over on the public for the umpteenth time!

From the Legislature

by Keith Everitt.

Tuesday afternoon the 1967 session concluded. Approximately 100 bills have been approved. I am now able to disclose the formula which the Department of Highways will be using on their five million dollar grant to towns and villages. Summer villages will obtain a grant of \$3,000 each. Towns and villages throughout the province will receive a basic grant of nine thousand dollars. This will take approximately - \$2,200,000. The remaining \$2,800,000 will be distributed on a per capita basis of approximately \$12.25. This is in my opinion a very exciting program, with no strings attached. It is not a cost-sharing program. The 1966 population figures will be used. The Department is not insisting on professional engineering, in fact the District Engineers may be able to give some assistance. This program should greatly improve the streets or main roads in many of our towns and villages.

An Act for the Protection of Animals in Distress was passed and will come into effect on the first of July. Previously a charge could be laid against an owner who neglected an animal. However, the new act now gives the peace officer the authority to take steps to relieve the animal of its distress.

The Department of Highways is giving its support to Driver Training in our high schools. Over 100 teachers are now qualified to give driver training in these schools. Two more courses will be held this year where it is expected another 50 high school teachers will become driver-training teachers. The Department of Highways provides the Graduation Diplomas and is receiving enthusiastic support not only from organizations like A.M.A. and the Safety Council, Home and School and the Teachers Association, but from the School Boards of the Province. I understand the insurance companies are prepared to cut the premiums by 10% for those young people who obtain their certificate.

Although I hesitate to use this column to answer other letters written to the Gazette, I feel a word of explanation is warranted, due to a letter written by K. J. Crooks, in which he suggests my visits to the high schools is something of a political manoeuvre. May I outline what I actually do at these demonstrations. This year I bring the Highway and Vehicle Traffic Act. The five steps which are necessary before a bill becomes law, are demonstrated without politics in thought at all. The five steps are First reading, Second reading, Committee of the Whole Assembly, Third reading, and Royal Assent. I would like to assure Mr. Crooks that this is a practice I have carried out since 1959. Ask the high school students from Morinville, Legal, Riviere Qui Barre, Namao, Bon Accord or the 4-H Clubs from Vimy and Alcomdale if politics is involved. After all many of the students especially those taking Grade Nine Social Studies have personally told me that this demonstration has helped them on their final exams. As far as the suggestion that Mr. Russell be invited by the schools, I think this would be wonderful, however, I notice you forgot to mention Dr. Dolman (he has also been nominated). One of these gentlemen could be the leader of the Government in power, the other the leader of the opposition. I would hope their interest would carry on every year.

Sunday program Edmonton public library

On Sunday afternoon, April 23rd, from 2 to 3 p.m., the Public Library presents another program of stereo music from its record collection. This week Dvorak's Concerto for Violinello, Op. 104, in B Minor, with Pierre Fournier, Violinello and the Berlin Philharmonic Orchestra, George Szell conductor will be presented.

The program will be in the Music Room, admission free. Also for your Sunday enjoyment there will be a film show: "A Lake For The Prairie" and "Eternal Children".

Antarctica's Weddell seals search for food as deep as 1,500 feet below the surface.

Kremer-Devolder

In a pretty pink and white wedding, Miss Leonie Devolder, daughter of Mr. and Mrs. Homer Devolder, and Alphonse Kremer, son of Mr. and Mrs. Joffre Kremer of Morinville, were united in marriage in a double ring ceremony performed by Rev. Father T. Rozmahel in St. Emerance Church last Saturday.

Given in marriage by her father, the bride chose a princess styled white taffeta gown, lace trimmed with a sweetheart neckline and an empire waist. A matching lace mantel coat with lily point sleeves was worn over the gown. A crystalline encrusted fancy comb held her shoulder length veil of misty french tulle. The bride carried a cascade bouquet of pink roses with matching streamers. All three bridesmaids,

Miss Paulette Gibeault, Miss Lioselle Gibeault, cousins of the bride, and Miss Cecile Kremer, sister of the groom all wore identical pink grecian styled gowns of pink taffeta trimmed with heavy guipure lace at the waist and on the alter-boy sleeves. Sheer overall tent coats to match were worn over the gowns. Tiaras were worn as hair ornaments. White gloves and matching slippers completed the ensembles. A colonial bouquet of pink roses was carried by each bridesmaid.

The best man was Constant Devolder, brother of the bride and other groom attendants were Mr. Ernest Comeau and Mr. Jim Cheraderchuk.

During the marriage mass, Mrs. Cecile Como was soloist and Miss Aimee Como played at the organ.

The Ladies of the "Burning Bush Circle" of the Braeside Presbyterian Church in St. Albert, are planning a "BARGAIN BASEMENT" Sale to be held on Saturday, April 22nd, 1967 in the St. Albert Community Hall. The hours of the sale will be from ten o'clock in the morning until three o'clock in the afternoon.

A full range of items will be available at this spring sale, so if you like bargains, be sure you are at the St. Albert Community Hall on Saturday morning, April 22nd, between the hours of 10 A.M. and 3 P.M., where such items as gardening tools, books, household items, clothing, toys, etc., will be offered at "Bargain Basement" prices. SEE YOU THERE!!!!

New Families

St. Albert welcomes a host of new arrivals to its community.

Mr. and Mrs. Ivan Donkin and family; Mr. and Mrs. James Hawkins and family; Mr. and Mrs. William Milne and family; Mr. and Mrs. Robert Myers and family; Mr. and Mrs. William Shypitka and family all of Grandin Park. Mr. and Mrs. Elwyn Jensen and family; Mr. and Mrs. John Michael Person and family of Mission area.

Following the ceremony a reception was held at the Morinville Centre for some 150 guests who also were guests at a supper banquet, Master of Ceremonies was Mr. Moise Comeau, and the toast to the bride was proposed by Mr. Arthur Soetaert. This was followed by a wedding dance with some 450 present.

For her daughter's wedding Mrs. Devolder chose an aqua two piece dress with white hat and accessories. Mrs. Kremer wore a linen ensemble, with beige dress and fuschia and beige figured coat with beige trim, complimented by coffee and brown toned hat. Both mothers wore American Roses en corsage.

For her honeymoon trip to the west coast, the bride chose a pink tent dress with matching coat and white accessories. Mr. and Mrs. Alphonse Kremer will take up residence in Morinville on their return.

Liberals enjoy social

The St. Albert Liberal Constituency Social Committee invited Liberals and their friends to a Social Evening held at Morinville April 14th. Dancing was to the tune of the "Diamonds" who excelled themselves, according to the people present.

The "Harmaniacs" (St. Albert Barbershop Quartet) provided a major highlight of the evening's entertainment and were kept busy by the popular demand of those present, in the form of several encores.

While a larger crowd could have been accommodated, the gathering was of a friendly size, giving everybody a chance to get to know each other and all present were enthusiastic about the good time they had. For this reason future social functions are being planned by the Committee. The lady Liberals played an active part in arranging the successful evening.

Continued from Page 1

gymnasium last Thursday afternoon. The money will be used to purchase a reading chair for the Centennial Library Congratulations Girls!

PROJECT OF THE MONTH
If you have been following Chuck Tennant's suggestions each month by now you will have visited your neighbour 10 doors down the street, you, too, have become a Blood Donor, and you are now busy learning to speak a second Canadian language. For the month of April, Chuck suggests: Order NOW your - Schubert Choke Cherry tree. This tree, which has been proclaimed St. Albert's Centennial tree, grows to 15 feet The leaves come out green, but turn purple in July. These trees may be seen growing on Grandin Road, between Grandville and Grosvenor. Why don't YOU plant-a-tree-for-Centennial?

Around Town

The St. Albert Serious Slimmers won their weight contest with the gals of the Edmonton Diet Club. Their total combined loss of 23 lbs in March gave them a comfortable 5-pound margin over the Edmonton Club, who lost only 18. Sass members celebrated with an evening of bowling at Grandin Lanes last Monday, where hopefully a few more ounces were lost.

*** **

With the opening of the Library in June a membership charge will be inaugurated and all library users will be issued new membership cards. These are now available at the Librarians desk at the Town Hall during library hours. To avoid delay when making the first trip to the new library it will be to the advantage of users to take out memberships in advance of the opening date. Otherwise the staff will be very hard-pressed to handle all the new memberships in the early weeks, without line-ups for books. Individual memberships will be \$1.00 and family memberships are also available.

*** **

Mrs. Gladys Smith of St. Albert Dancing School let herself in for a pile of work when she agreed to serve as competition chairman for the forthcoming Tap competitions to be held at St. Mary's School in Edmonton. Well over 1,000 dancers have entered and the competition has been extended by one full day, to run Friday, Saturday and Sunday, May 12-14. Starting with a one day event three years ago, the competition involved over 700 tappers last year over two days. There is an enormous amount of work involved and Mrs. Smith has been going night and day processing entries for this year's record breaking participation.

Marina Vettergreen heads lady curlers

The St. Albert Ladies Curling Club had their windup banquet on April 5, 1967 at the Club Mocombo. The banquet was well attended and enjoyed by all.

Prior to the banquet a General Meeting was held and four new members were elected to the executive. The executive members are: Marina Vettergreen, Jean Hesse, Shirley Parkin and Ruth Gramlich. They will join Henriette York, Doreen Woldnik, Doreen Dolman, Anita Ratchinsky and Pat Hudson to form the governing body of the ladies league.

We would like to thank the outgoing executive Jacque Malinowski, Eileen Rude, Lois Hill and Lee Dennis for the excellent job performed.

The following presentations were made:
WINNER OF POINTS BONS-

WHO'S WHO CONTEST

Recreation news

PEDAL PUSHERS A PLEA TO PARENTS!

Would you believe 1,000 pedal pushers in St. Albert? We didn't until we started counting heads and that's the number we came up with. To cope with this exceptionally large number we need 100 instructors and we appeal to parents to volunteer their services in this cavity. Without the help of parents we will be unable to continue with our plans to form a Pedal Pushers Club and 1,000 youngsters will not only be disappointed but will be deprived of the opportunity to learn to ride their bicycles properly and how to conduct themselves on our very busy roads.

Don't let the word "instructors" scare you. The duties are really quite simple and are all written down in the "Instructors Guide" issued by the Alberta Safety Council and given to each instructor. The time involved would be approximately 7 hours spread over a period of 2 or 3 weeks and surely the safety of the children is worth that and a lot more. Besides that, we think you'll have a lot of fun. Already, stories are reaching this office. One little girl confided to her Principal that she had no "Pedal Pushers" but could she join anyway!

Registration forms are now in the hands of the principals and when these are returned we will have a day of reckoning and calculate how many instructors we need. In the meantime, if you would like further information or better still if you want to volunteer your services, please phone the Parks and Recreation Department, Town Hall, at 599-6601, extension 35 or 36.

BASEBALL

Spring is, we hope, bursting out all over and baseball is about to get underway under the auspices of the Knights of Columbus who have very generously agreed to coordinate all baseball in St. Albert for boys aged 8 - 16 years. We are indebted to all the Knights of Columbus and particularly the sports committee which, headed by Mr. George Lee as commissioner, includes the

following: Alex Gauthier--Director in Chief, R. Lafleur--Contact man for umpires, Dave Doll and Don Labelle--Sponsor contact, Armand La-Coursiere--League schedule, Dan McRae and Paul Poulin--Equipment managers, B. Montpetit--Treasurer.

All boys wishing to play are asked to pick up registration forms at the Parks & Recreation Department, Town Hall, or at Belmont Agencies, 20 Piron Street, and return them before April 30th, 1967.

SENIOR CITIZENS

On Friday, April 14th, 33 of our senior citizens visited the Planetarium in Edmonton and it was the opinion of those who attended that this was without doubt one of the most enjoyable outings that this group has made. Those making the trip were transported in 7 cars driven by volunteers and we would like to thank these ladies and gentlemen most sincerely, as well as the staff of the Planetarium for helping to make this occasion a memorable one for some of our older people.

The next social event will take place on Friday, April 21st, at the Youville Home when a Whist Drive will be held. Anyone needing transportation should phone the Parks and Recreation Department at 599-6601.

The monthly birthday party will be held on Friday, April 28th, at the Clubhouse when members of the Welcome Wagon Club and the U.C.W. will act as hostesses.

HOCKEY

The Kinsmen are surely one of the most active organizations in Town. With regards to the hockey season just over, which they sponsored, the wind-up banquet will be held in the Club Mocombo on Sunday, April 30th, at 4:00 p.m. with three hockey dignitaries as guest speakers. A hot turkey dinner will be served at the price of 85¢ for mites and pee wees and \$1.50 for bantams, midgets, juveniles and adults. Everyone who played hockey last year is invited and we hope to see all the coaches

and referees as well as all the mums and dads at what promises to be a very exciting evening.

For further information please call the Parks and Recreation Office at 599-6601, extension 35 or 36.

As well as sponsoring the hockey season, the Kinsmen are contributing to the recreation of the small fry in St. Albert by supplying some playground apparatus for the Tot-lots on Gordon Crescent and Swallow Crescent. This is part of their plan to supply other tot lots with similar equipment at a later date.

The Kinsmen are to be commended for their public spirited participation in the recreation of the younger citizens in our Town.

4-H speak-off

Richard Milligan, speaking on "Centennial Farmer" won First Prize in the Annual Speak-Off of the Bon Accord 4-H Beef Club on April 3rd. Leona Ferbey, whose topic was "Food or Famine" was runner-up and Donald Rigney speaking on "Conservation" won third place. Trophies were presented to the winners on behalf of the Bon Accord Board of Trade.

Judges for the speak-off, Mr. Kondruk, Mr. Parsons and Mrs. F. Glover were introduced to Mr. Taras Ferbey, club leader. Time keeper was Mr. L. Carleton. Others participating in the Speak-Off were Bjorne Peterson on "Beavers Importance", Dean Lewis on "Improving Highways" and Tom Strawson on "Hungarian Partridge". Peewee members Patrick Ferbey, Debbie Uchacz, Fay Strawson and Judy Abramski also spoke and the program included impromptu speeches as well.

Essays by Norma Rigney and Leona Ferbey on the subject "How We Control Weeds on Our Farm" were read. These had been entered in the Provincial Weed Essay Contest, where Leona received third prize.

Lunch was served at the close of the evening.

MR. AND MRS. ROLAND MONTPETIT

Montpetit - Schneider

St. Emile's Church at Legal was the scene of a beautiful wedding ceremony, Saturday afternoon when Marguerite Schneider daughter of Mr. and Mrs. William Schneider of Bon Accord exchanged vows with Roland Montpetit, son of Mr. and Mrs. Robert Montpetit of Legal.

The double ring ceremony was performed by Rev. Father Ricard before an altar decorated with baskets of pink gladioli white baby mums and snapdragons.

The wedding music was played by Sister Corriveau and soloists were Miss Bertha Montpetit and Miss Mary Hess.

The bride given in marriage by her father looked charming in her floor length wedding ensemble, A French lace coat worn over a sleeveless sheath of peau de soie with matching lace appliques. Her bouffant veil was held in place by a crown of pearls. She carried a bouquet of white lilies, pink baby roses and dark green ferns.

Matron of Honour was Mrs. E. Drofshyn and the bridesmaids were Miss Nat Woywitak and Miss Judy Montpetit, sister of the groom. The matron of honour wore a floor length sleeveless gown in a hot pink crepe with a lace bodice and empire waistline. Her headpiece was a rhinestone tiara. She carried a nosegay of white baby mums with pink carnations backed by a lace doily.

The bridesmaids wore

identical gowns, "Petite" Wendy Lynn Bruce was flower girl. Her floorlength dress of peau de soie matched those of the bridesmaids in color. She carried a basket of white lilies and pink carnations.

The groom's attendant was Mr. E. Drofshyn and the best men were Mr. H. Schneider and Mr. Pare. The ushers were Richard Montpetit and Roy Schneider.

For her daughter's wedding, Mrs. Schneider chose an ensemble. A pale blue 3/4 length lace coat over a matching dress with white accessories. Her ensemble was complimented by a corsage of pink carnations.

Mrs. Montpetit chose a shocking pink 3 piece suit with white accessories to match. She had white carnations en corsage.

After the ceremony a banquet for some 250 guests was held at the Legal Community Centre.

The bride's table was centred with a 3 tiered wedding cake decorated with light pink roses and silver leaves.

Mr. Keith Everitt was Master of Ceremonies and Mr. John Colville proposed a toast to the bride.

A reception and dance followed the banquet. Mr. and Mrs. Montpetit will reside in Edmonton.

STURGEON COUNCIL MEETING

PRESENT: Councillors G. Wilson, L. Rye, W. Flynn, S. Walker, L. Kluthe, W. Van de Walle and Secretary Treasurer A. Nobert. Absent-Mr. D. Bevington.

Reeve Walker reconvened the meeting at 10:15 a.m. TRAFFIC SPEED ZONE-SIGN - Mr. Hargraves, City Engineer, requested the Council approve of changing the speed zone sign from 30 miles per hour to a 40 mile per hour zone on 137 Ave. from the N.A.R. tracks West to Highway #2 St. Albert Trail. It was MOVED that Council authorize the City Engineer to change the existing 30 mile zone sign to a 40 mile per hour sign at the above described location.

BLOCK E, PLAN 6301 M C ALLANSHOLME SUBD. - Letter from Mrs. Leonie Morin, owner of the above described property was read to Council requesting an adjustment on her 1966 taxes to compensate for the damages caused to her property by flooding in said area.

MOVED that the Secretary Treasurer acknowledge this letter and advise the writer that the Council is not authorized to adjust any taxes. She is to be informed that if flooding conditions still prevail she should appeal her assessment during the month of January, 1968.

The Secretary Treasurer read to Council the Minutes of the Agricultural Service Board Meeting held March 8 & 14, 1967 which included the A.S.B. Tentative Program Budget for 1967.

The Secretary Treasurer provided each Councillor with the list of applications received indicating age, education, experience in agriculture present employment, salary expected and other information provided by the Applicants. The list of applicants was carefully studied by Council at length and several applications were read. It was MOVED that Council appoint Mr. James Sharp as the Municipal Agricultural Fieldman in accordance with the A.S.B. recommendation.

MOVED that Council appoint a full time assistant agricultural fieldman pursuant to the A.S.B. recommendation.

MOVED that Council appoint Mr. M. J. Charrois as full time Assistant Agricultural Fieldman, as recommended by the A.S.B. as second in priority.

It was MOVED that Council appoint Mr. James Sharp as Soil Conservation Officer.

MOVED that the meeting adjourn for lunch at 12:40 pm and to reconvene at 2:00 p.m.

Reeve Walker reconvened the meeting at 2:00 p.m. Messrs. Bevington and Wilson were absent.

Each member of the Council had received a resume of the Budget sheet for consideration and approval by Council. The estimates were given detailed explanation by the Secretary-Treasurer. It was MOVED that Council approve the A.S.B. Tentative Program Budget for 1967-68 as recommended by the Board.

MOVED that Council approve Dr. Stewart's sand and gravel removal permit on a five acre development basis provided the required performance bonds are deposited in trust with this Municipality.

MOVED that Council approve the preliminary landscaping plans of the above described grounds and that authorization be given to Mr. Andre Gates to proceed with the finalization of said landscaping plans.

MOVED that Council approve the A.S.B. recommendation of an Agricultural Honorary Park to be located in the south west corner of the Municipal Grounds and have constructed an Honorary Roll bearing the names of farm families that have resided and still residing on farms as of this date since 1900.

Mr. Van de Walle submitted to Council a report on the operations of the Sturgeon Foundation Home at Legal and gave a brief resume of its financial position. 1966 Revenue showed \$38,471.35 Expenses were \$35,350. and Net \$3,121.35. Internal Income was \$321.93 Surplus for 1966 was \$3,443.28 and General Revenue Fund Surplus Account - \$12,194.31. Mr. Van de Walle's report was accepted by Council.

Request for the support of having the Federal Govern-

ment declare said day as Fire Day was submitted by the Corporation of the Township of Ancaster, Ontario. It was MOVED that Council do not support this request as it is this Municipality's belief that Dominion Day should suffice for both occasions.

DELOITTE, PLENDE HOSKINS & SELLS: Letter dated March 6, 1967 from the above mentioned firm of auditors stating that their fee for the audit examination of the Municipal District's records had to be increased due to their considerable increase in costs of staff and also because of the increasing demands of government upon municipalities to administer government programs and provide more information.

Letter from Mr. C. H. Goins, administrator for Fort Saskatchewan General Hospital District #98, advising Council that Board members had been appointed in accordance with the Hospital District Regulation and that members were as follows: Mr. N. J. Haddow, Mrs. Macdonald and Mr. J. Ferguson representing the Town of Fort Saskatchewan, Mr. Devereux for the Municipal District of Sturgeon No. 1 and Mr. G.W. Moyer for the County of Strathcona #20.

MORINVILLE

EDMONTON - 455-8808.

On April 12th Mr. Walter Kaasa of Edmonton, was guest speaker at a Lecture on Public Speaking. Some 70 individuals attended the well spoken address. He explained the various physical requirements of a good public speaker. He also demonstrated the correct way of breath control and resonance of voice. Several members of the audience read poetry and sounding of voice projections were valued. Mr. Paul Riopel thanked Mr. Kaasa for his constructive ideas and also for the workshop session enjoyed by all.

Rev. Father Primeau, who chaired the meeting announced that a Public Speaking Course would be held in Mor-

Breakdowns squeezing your profits?

Keep machinery on the job with our Texaco Farm Products

Breakdowns mean downtime—for both men and machinery. They cut into crop yields—and profits.

Best way to avoid breakdowns? Texaco farm products—timely service and lubrication for every piece of equipment on your farm. They help you increase equipment life and cut maintenance costs... decrease fuel consumption... keep equipment on the job.

Protect your machinery with the finest petroleum products—from Texaco: Marfak Lubricant, Havoline Motor Oil, Multigear Lubricant EP, Regal Oils for hydraulics, Fire Chief gasoline.

If you're not using our Texaco Farm Products, let's talk it over.

Morinville Memos

inville in the fall. Mrs. Andre Sabourin, Mrs. Blanche Bossey and Mr. Sabourin served coffee, and a friendly chat among all concluded the evening program.

If you want to know who your friends are, just make a mistake or two. Last week we congratulated the Camilla Farm on their prize winning bull—Hereford. That was wrong. Niessen-Eilemere is a black Aberdeen Angus Bull, and a prize winning one at that.

Miss Chantal Brisson, who recently wrote her grade eight piano theory passed with 86 marks. Once again congrat-

ations Chantal.

Due to lack of space, Mrs. Joe Leduc will now accept only used toys for repairs to be given to needy families. All used furniture, and only good used furniture will be gratefully accepted by the Vincent De Paul Charities or the Salvation Army in Edmonton. For further details call 256-3025 for pick up service.

Congratulations also to the students of Thibault School who competed in a French Oratory Contest on Friday evening with some 150 parents and students present. Trophies were donated by the School Board and the judges were Mrs. M. Monod, Professor of Education at the U. of A. and Sister Blanchette from Legal The M.C. for the evening was French Professor George Lavallee of Thibault. Mr. Maurice Lavallee, Secretary of A.C.F.A. accompanied by Mrs. Lavallee of Edmonton were also present. Winners of the contest were: for Grades 1-3 Rita Riopel; Grades 4-6 Miss Antonine Campbell, Grades 7-9 Rene Leduc, Grades 10-11 Miss Helene Hogue. Presentation was made by members of the Board and Rev. Father G. H. Primeau also addressed the gathering briefly.

The United Church Ladies Aid will sponsor something new in Morinville on Saturday April 29th at the rifle range in the Morinville Arena... it will be a PIE SHOOT, at 15¢ per shot. With free coffee. Guns will be available or bring your own. All proceeds to go for the building fund. The hours are between 2:00 and 5:00 p.m. Come one, Come all.

The Ladies of St. Anne will hold their April meeting on Friday evening of this week in the Thibault School Auditorium at 8:00 p.m. where films will be shown.

Morinville had the visit of the Mayor Derosier of Cap De LaMadelaine, P.Q. last week. He was welcomed to Morinville by Rev. Father G.H. Primeau, and visited the town hall where he met some town officials. Mayor Derosier came to Alberta to visit Red Deer who has been twinned with the City of Cap De LaMadelaine, P.Q. for the Centennial.

To date the Frontier Daze beard growing contest has netted some 25 registered stubbled chins. Miss Vivianne Soetaert is still accepting entries. Come on boys, there is still time to grow a real pioneer bush before June 24.

The Alcomdale 4-H Beef Club will be having a Pot Luck Supper followed by a talent show to raise money for a calf which one of the members unfortunately lost this year. Any further money will be contributed to an insurance fund for future years. This will take place on Friday, April 28th, the supper will be served from 6:00 - 8:00 p.m. in the Alcomdale Hall. The 4-H Beef Club would certainly

4-H members of the Beef Clubs in the district who contested the final 4-H public speaking competitions held at Gibbons last Friday for the M.D. of Sturgeon. Left to right, Wayne Unterschultz, Sturgeon Valley; Howard Strauss, Gibbons; Miss Norma Rigney, Chairman of the Sturgeon 4-H competitions, Miss Linda Paul of Namao; Mr. Stanley Powers, District Agriculturist for the M.D. of Sturgeon; Miss Loretta Davidson, Alcomdale; Paul Riopel of Morinville; David Borle, Villeneuve; Richard Milligan, Bon Accord.

THE GAZETTE, Wed., April 19, 1967-9

It's all very well to add years to our lives, but wouldn't it be far better to add life to our years? For many men, and women too, retirement means a descent into misery, because they haven't prepared for it, mat-

erially, emotionally, or spir-
itually. Many helpful sugges-
tions will be found in a pam-
phlet distributed free by your
Mental Health Association.

CONTINUED

MOVED that as a result of the very little oil industry assessment in said reservation the Council is to continue its present agreement of the maintaining the roads in the Alexander Reserve at government rates.

Mr. Van de Walle informed the Council that many rate-payers were dissatisfied with the publication of the Gazette, especially as to the coverage of local news throughout this Municipality. He stated that the local reporter of his area sends regularly on weekly basis local news of the area, but the Editor seems to ignore and give very little attention to the publication of the news submitted weekly.

MOVED that Council request the Rural Road Study Committee to amend the Rural Road Study proposed plans as follows:

1) that the road going east of Gibbons 7 and 1/2 miles and north easterly 1 and 1/2 on Victoria Trail - total 9 miles be reclassified as an R.C.U. 232 (s).

2) the above described road would automatically reclassify or cancel the proposal for the North & South road (4 miles) namely District Road 727 A which is presently classified in the Preliminary secondary and local road system study as an R.C.U. 228 (s). 3) priority is to be given to this Gibbons east road in order that construction be started in 1967 and all construction and pavement be completed by 1969.

MOVED that Council accept Coneco Equipment Ltd. tender on the purchase of a

Motor Grader Adams 660 B 160 HP fully equipped pursuant to the tender for the price of \$38,200, less trade in allowance of \$16,000, on the M.D.A.C. 16 Crawler Tractor. Net Balance \$22,200.

MOVED that Council accept Richardson Road Machinery Ltd.'s tender on the purchase of one FWD Wagner Unit 14-19 yd, 280 HP with cab and dozer fully equipped as specified for the price of \$71,730, less \$7,130, and trade in allowances of the two Municipal Wagner Units 1960 - SN1969 & 1961 SN 3175 of \$24,600. - Net Balance - \$40,000.

The Secretary Treasurer provided each Councillor with Public Works A Forms to be completed by each Councillor as soon as possible. Each Councillor also received copies of Budget Estimates for 1967 - these statements gave the 1966 estimates and the 1966 actual with a space for 1967 estimates.

MOVED that the Council meeting adjourn at 6:15 p.m.

BRIDE-ELECT HONORED

Prior to her marriage to Mr. L. Petry on April 26th, Miss Sandra Barry of St. Albert was entertained at a number of bridal showers. Mrs. Harold Cassidy was hostess at her country home on April 9th and on April 12th Miss Pat Hite gave a shower in her honour. Mrs. Essdale and her daughter Normawere hostesses on April 14th. The wedding will take place in St. Albert.

The meeting adjourned at 2:45 a.m.

Zoning occupy Council

Mayor Ramsay called the March 14th, meeting of Morinville Town Council to order at 8:00 p.m. Present were: Mayor Ramsay, Deputy Mayor Stapleton, Councillors Blackburn, Calder, Chalifoux, Champagne, and Ouellette.
The Minutes of the meeting of February 14 were adopted as read
The monthly statement for the month of February was approved.
ZONING MAP AND BY-LAW.
Mr. R. Hanson from Edmonton Regional Planning Commission reported to Council that the draft zoning map is ready, and that the text should be prepared before the next regular meeting.
Council was also advised that topography map will be

Mr. Ed Savoie receives an award plaque, presented by Mr. N.V. Swall of Winnipeg and K. C. Copeland, rural sales manager for Shell Canada Limited.
Photo - Laddle Penich Studios, Edmonton.

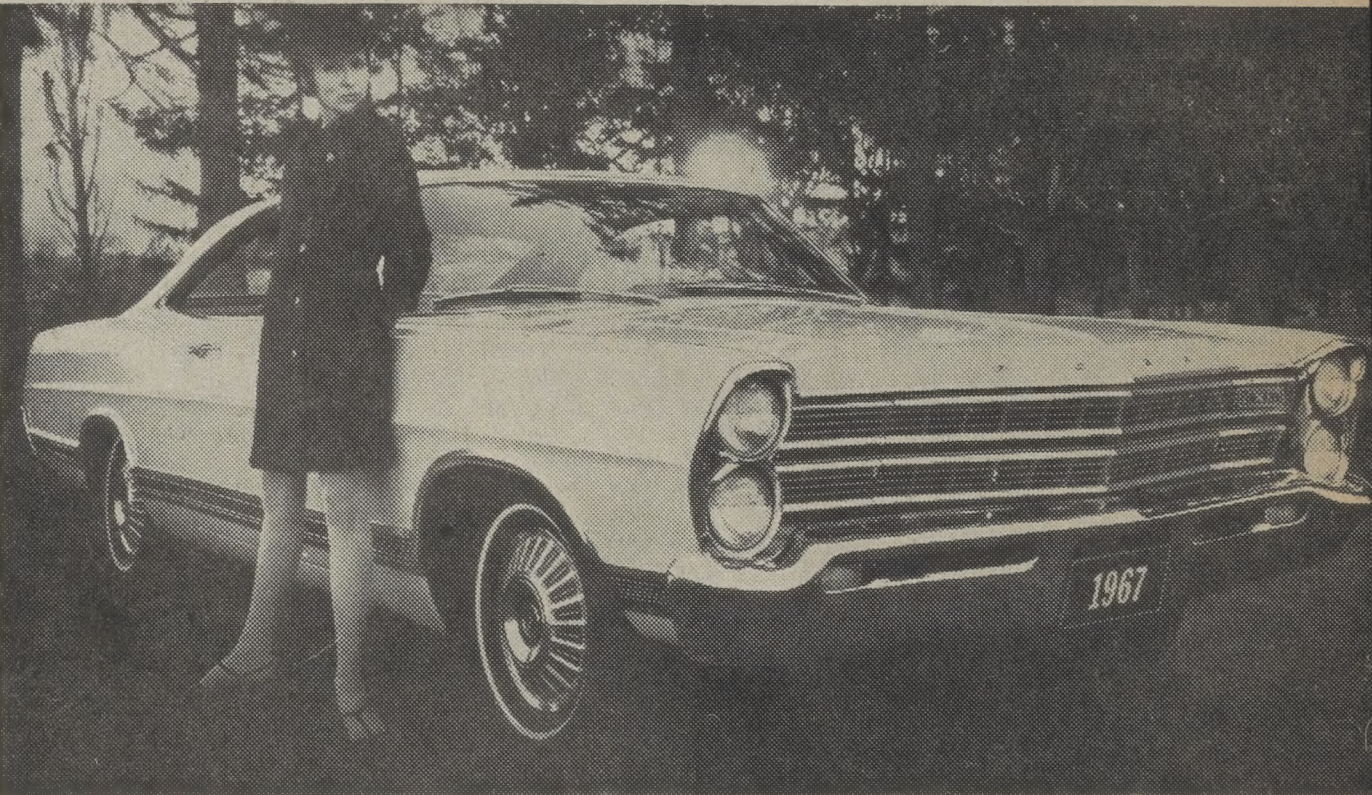

E Savoie receives award

"Mr. Edmond Savoie of Villeneuve, Alberta, received a plaque from Shell Canada Limited, honouring his thirty years of service as an agent. He has been honoured many times throughout a remarkably active record of participation in many areas of community affairs. The Knights of Columbus of St. Albert presented him with an Award for outstanding services. He has served as a Grand Knight, St. Albert Council and is now Admiral in the fourth degree, Knight of Columbus, Edmonton. Ed has also served on the St. Albert Community League executive, both as president and director, has taken an active part in the St. Albert Lions Club and was a Captain of the Star of the North Retreat House. He is on the executive of the Northern Alberta Oldtimers Association and has served on northern A.M.T.A. for the past sixteen years.
A keen promoter of all aspects of traffic safety, Mr. Savoie takes personal interest in car and truck Rodeos and has been a three-time winner: first in the Fort Saskatchewan car rodeo, first in the 1960 Alberta truck rodeo and third in the National truck rodeo held in Toronto."

finished in a month. A map of proposed annexation was submitted to Council.
M. D. of Sturgeon will be contacted and property owners concerned.
A sketch of the replot south of Forget Avenue was also presented to Council.
TEMPORARY LOCATION:
Mr. Art. Soetaert discussed with Council the proposed replot scheme, also temporary location of a prefab building on Lot 24 of the proposed replot sketch plan dated February 1967. The building to be removed when sewer and water services are made available to this area. Agreement to these conditions is to be a condition to the permit, with a twelve month period given for removal.
It was decided that the Court of Revision be held on April 11 at 7:30 p.m. in the Town Office.
Councillors Blackburn Chalifoux, Ouellette, Champagne and Mayor Ramsay were appointed members of the Court of Revision.
AUDITORS:
It was decided that the firm of Deloitte, Plender, Haskins and Sells, Chartered Accountants be appointed Auditors of the Town for the year 1967 and the Department of Municipal Affairs be so advised.
Council discussed the appointment of an Assessor. It was moved that the Dept. of Municipal Affairs be requisitioned to undertake the Assessment requirements of the Town during 1967 for taxation purposes in 1968.
EQUALIZED ASSESSMENT:
Equalized Assessment of \$1,059,953. was received from the Assessment Equalization Board.
Proposed tax requisition of \$67.21 was received from Edmonton and Rural Auxiliary Hospital No. 24.
Cst. Dubord gave a report on welfare and Policing.
Fire Chief Convention to be held in Edmonton March 20, 21, and 22 was discussed. Councillors Calder and Stapleton to discuss this with the Fire Chief.
PERSONNEL COMMITTEE
A motion carried that a personnel committee be formed to replace our present Police Committee, and that it consist of the Mayor, Deputy Mayor and Councillor Champagne.
It was moved that a Special Meeting be held on March 15 at 8:00 p.m.
Meeting adjourned at 1 a.m.

Recognizing long service, Shell Canada Limited has made awards to many of its Farm Agents and Dealers in Manitoba, Saskatchewan, Alberta, and North Western Ontario.
The many "old-timers", some with over 40 years service, attending the presentation banquets took delight in talking over the early days. In all ten centres where ceremonies were held, they talked about the progress in handling petroleum products, from the wagon, to the Model "T" truck and then to today's large tank trucks. Another highlight discussed was the change in inventory, from the time kerosene was all important, up to the present time when he handles not only a full range of petroleum products, but he sells farm chemicals, fertilizers, insecticides, weed killers, and batteries and accessories for farm equipment.
Plaques were presented to those having in excess of ten years service. In this area, the time of service for those receiving awards totalled 1225 years.

Have a quiet affair

with a Ford!

Now is the time—record Ford sales mean record Ford deals!

You're in the mood for a new car—so try the quiet, strong Ford sedan...the equally quiet but devil-may-care Ford hardtop... or the wind-song silence of a Ford convertible! Your Ford dealer has them all. In

every heart-stealing colour! And they're all selling so well that your Ford Dealer can give you the kind of deal that will set your heart aglow! Like they say... the quiet ones are always the most exciting!

You're ahead in a
FORD

Quieter because they're better built.

Plan entries now for Namao flower show

Plans for the Centennial Flower Show in Namao are all underway and the list of the fifty classes has been completed in time for reference by entrants ordering plants and seeds this spring. The annual show will be held in Namao in August. Rules for entering are as follows:

One entry per person per class.

Flowers must be grown in entrant's family garden. Bedding plants allowed. In arrangements, suitability of containers will be considered. Please provide your own containers.

A novice is defined as an entrant who has not won a first prize in a previous Namao show.

All entries to be in and ready for judging by 12:00 p.m.

Prizes are awarded to first place winners in each class and trophies will be presented to several of the classes, including "Best Glad" and "Novice". An aggregate trophy will be awarded on a total point basis.

Anyone wishing further information should contact Mrs. M. Hodgins at 799-5671. List the classes follows:

Mr. James Klak, Villeneuve, a second year Commercial Cooking student at the Northern Alberta Institute of Technology, Edmonton, receives a Centennial Trophy for the best achievement from Mr. Jim Gregg, president of the Edmonton Restaurant Association. Mr. Klak won the award for a display of individual cakes at the Food Sales and Service Show during recent Open House activities at NAIT. Photo courtesy of Alberta Government.

A rainbow for Canada

by Patricia Hamilton.

Eastward Ho! That is the call of four men from New Westminster, B. C., who are planning to retrace Simon Fraser's historic route. However, the 1967 version will be done in reverse. The men hope to reach Eastern Canada by following as many waterways as possible and will be passing down the North Saskatchewan River.

Mud season is upon us once more. We, though, have little to complain about. The people who came here first, the explorers and pioneers, really knew what mud was. To illustrate their hardships and perhaps with a wry sense of humour, a fort was named Quagmire House. It was built below Rocky Rapids by the North West Company. Also on the banks of the North Saskatchewan they built Boggy Hall. Mud has changed little in 100 years.

The last big Indian Battle on the prairies was fought in 1870. Because the Blackfoot Tribe of the Plains had been weakened by a smallpox epidemic their mortal enemies

the Crees, thought it was an opportune time to attack. The Cree and Assiniboine tribes joined forces under Chiefs Big Bear, Piapot, Little Mountain and Little Pine. They led 800 warriors to the campgrounds on the banks of the Oldman River where the Bloods and Blackfoot tribes were. They attacked without realizing that a few miles away, near Fort Whoop-up, a band of South Peigan Indians were camping. The Peigans were refugees from an Indian battle in the United States and were well armed. They came to the aid of the Blackfeet. The Crees were chased to the area that is now the City of Lethbridge and 200 of them were killed. The Blackfeet lost only 40 men. A year later these two great prairie nations signed a treaty. A plaque marking the last battle is to be seen in Indian Battle Park, Lethbridge.

The name of Twelve-Foot Davis is almost legendary now. A reader called to suggest that the reason for his nickname would be an interesting story. Davis was a gold seeker who arrived at

the Caribbo goldrush too late to stake a regular claim. However, on studying maps he found that two adjoining claims staked near Barker-ville had over reached their regulation boundaries. He staked his claim between the two oversized lots. The width of his claim was twelve feet. People stopped laughing at him when he took \$15,000 worth of gold off his property. He later drifted into the Peace River Country where he became famous as a greatly respected pioneer and fur trader. His trading posts were Dunvegan, Fort Vermilion and Lesser Slave Lake. When he died in 1900 he was buried in his favourite place overlooking Peace River Town. His grave is a landmark and a point of interest for Peace River travellers.

Our salute for this week goes to Mr. Jim Drysdale. His Centennial project is the "Historic St. Albert" column which appears in this paper. It brings to our attention a detailed historical account of the particular part of Canada we inhabit.

4-H Rally

The Edmonton Regional 4-H Sports Rally held their annual curling and bowling tournaments at the Edmonton Sportex and Scona Recreation Centre on March 18th. Both tournaments were well attended.

The bowling was run off in two stages for a high total point score. High total score teams were: Terry Jeffery, Dwane Brennies, Beverly Rosin, Yvonne Kolba, and Lubee Kostiw. They received the annual trophy presented by the Scona Recreation Centre.

Individual take home trophies were also presented. Second high score team were: Rita Kluthe, David Borle, Janice Brennies, Bernard Saborin, and Karen Wickware. They received trophies from the Edmonton Regional 4-H Council. Third high scoring teams were: Phillip Rivet, Sandra Strauss, Donna Bamber, Shirley Gibson, and Marilyn Sharon. They also received Regional 4-H trophies. Low score, hard luck teams were: Pat Biofek, Simone Borle, Ron Cherdarchuk, John Rigney, and Stella Constantine. They also received an Edmonton Regional trophy.

The curling bonspiel winners were: Thomas Wood, Donald Sweetnam, George Hill, and Simone Demers. These young people were recipients of the Alberta Wheat Pool Trophy. Second place went to John Percyma, Terry Curran, Donald Whittaker, and Emile Iseke. Third place to: Melvin Marler, Elaine Schram, Stewart Smith, Mary Anderson. Second and third place winners received trophies from the Edmonton Regional Council. Consolation prizes went to: Danny Sime, Ruth Hanson, Colleen Crozier, and Tim Wootstencroft. The highlight of the day was the presentation of the Albert Paul Memorial Trophy for Sportsmanship to Andy Kremenluk.

A good time was had through out the day. All 4-H'ers indicated it was a worthwhile effort, and look forward to future interclub events.

Many thanks to the Management and staff of the Scona Recreation Centre and to the Edmonton Exhibition Association for their co-operation and interest in the rally.

All members of the Edmonton Regional 4-H Council are now looking forward to their Centennial Jamboree. This event will take place in the Edmonton Gardens on April 22, 1967. The club members are depicting Canada's one hundred years. This will be followed by a candlelighting service depicting Alberta's 50 years of 4-H.

Tieulie - Champagne

In an early afternoon ceremony Paulette Champagne, daughter of Mr. and Mrs. Harvey Champagne exchanged vows with Gerard Tieulie, son of Mr. Jean Tieulie in St. Emile's Church in Legal.

The double ring ceremony was performed by Father Houde before an altar decorated with baskets of yellow and white carnations, with beautiful pew markers made of large white satin bows centered with gold carnations.

The bride given in marriage by her father looked lovely in her floor length gown of holiday crepe, with a graceful A-line skirt, crocheted lace sleeves set in a fitted bodice. Her long detachable shoulder train was edged with matching lace. Her chapel veil was held in place by white wood fibre roses and lilies of the valley. She carried yellow sweet roses with a large white orchid mounted on a white prayer book.

Her jewellery was a delicate pearl pendant with matching earrings.

The three bridesmaids Pauline Quesnel from Burnaby B.C., Carole Phillips from Edmonton, Susie Tieulie wore identical floor length gowns in gold peau de sole with detachable panels trimmed with lace insertion. Their short nylon tulle veils were held in place with white and gold wood fibre roses and lilies of the valley.

Each carried semicascades of white and gold feathered carnations with matching leaves to trim.

Charming Petite Marlene Champagne five year old niece of the bride was flower girl. Her floor length gown was identical to the bridesmaids. She carried a basket of white and gold feathered carnations.

The groom's attendants were Louis Tieulie brother of the groom, Richard Montpetit cousin of the groom and Gerard Demers. Ring bearer was three year old Bruce Coles nephew of the groom.

The wedding music was played by Sister Corriveau, soloists were Rogelle and Dolores Auger, Roland Prefontaine and Leonard Forcade. The ushers were Mr. Raymond Champagne and Mr. Roger Tieulie.

For her daughter's wedding Mrs. Champagne chose navy and white lace suit with matching white accessories and red roses en corsage.

After the ceremony a banquet for some 200 guests was held at the Legal Community Centre, with Roland Prefontaine as M. C. The toast to the bride was presented by Mr. Ken Enders.

A reception and wedding dance followed with an attendance of 400.

Mrs. Tieulie changed to light pink imported wool suit with matching black accessories, before leaving for their honeymoon to the coast and the States.

Mr. and Mrs. Tieulie will make their home in Edmonton.
